DESCRIPTION

Beautiful small building plot of 1272 m2 with planning permission and views of the countryside. Close to amenities but away from the city center, residential and quiet area par excellence.

Nice exposure.

The land is sloping towards the rear and quite narrow, which means that the construction will have to adapt to these two constraints.

It is currently wooded which remains an advantage in the end because the plantations are already present and isolate from view.

The place is very pleasant and will provide you with a great comfort of life.
