## IN BRIEF

Paris 75013 – Bibliothèque François Mitterrand (BNF). 2-bedroom flat - 63.78 m<sup>2</sup> + 8.56 m<sup>2</sup> balconies. Floor plan available. Inspired by nature, the two buildings, Plant House and Tree House, are at the heart of the Tech-city district, a stone's throw from the left bank of the Seine. An unique opportunity for this bright high-end apartment, it offers a 71.78 m<sup>2</sup> weighted area (living room, kitchen, 2 bedrooms, 1 bathroom) framed by large floor to ceiling bay windows. The balcony, furnished with built-in gardens creates a private green oasis from urban life. The 7th floor property is quiet, with a well-designed living space and home automation system offering all the comfort of an ultra-modern residence, ready to move in by June 2025. It also includes customised storage space.

### BUILDING DETAILS:

Designed to bring nature to an urban setting, Alguésens is spread between two buildings of 12 floors, Plant House and Tree House, each bringing a unique natural perspective. Imagined as a vertical greenhouse, the residents of Plant House can create their own personal gardens on their spacious balconies with built-in planters, as well as take part in a communal garden on the roof and south side of the building. With Tree House, each balcony is equipped with a fiber concrete planter with an automatic sprinkler system programmed for optimal water consumption. Plants (such as paperbark maple, black elderberry, and hazel tree) are selected for their properties of cleaning the air and their adaptation to the Parisian climate.
