DESCRIPTION

The property has an attractive front garden, with a few steps leading up to the front door and the bright entrance hall. On the ground floor there is a 30m2 living room, and a stunning conservatory which houses the fully equipped kitchen (installed in December 2020). The kitchen has a view of the garden and the terrace. The sitting room has a chimney, so there is the possibility to install a fireplace or wood/pellet stove. There is also a smaller room currently used as an office (with plumbing already in place, should you want to convert into a second bathroom) on the ground floor.

On the first floor, there are 3 bedrooms and the bathroom with shower and double sinks.

On the top floor there are two further rooms, one room that is used as an office, and a fourth bedroom. On the lower ground floor, the garden level, there is a 5th bedroom, this floor has a staircase leading directly up to the kitchen and the veranda. The garden is laid to lawn, and has a shed for storage of garden equipment.

The property has a garage and a workshop at garden level.
