## DESCRIPTION

The property in greater detail:

Entrance into a room that would make a spacious kitchen of 40 m2

To the right of the kitchen is a beautiful spacious room that would be a living room of 47 m2. Charentaise fireplace. There are two mezzanines in this room, that give the whole area a bright and airy feeling.

At the back of the property is another big room of 36 m2. This could be turned into utility room and an office, or it would be possible to create a downstairs bedroom with bathroom.

Up through a ladder - there are no fixed stairs yet.

Two mezzanine areas, both about 15 m2.

Room of 40 m2 above the kitchen. Whether you create one big bedroom or two smaller bedrooms, both is possible.

Room of 36 m2 at the back of the property, plenty of space to create extra rooms and bathrooms.

Currently there is no drainage - a septic tank would have to be installed.

The house is a blank canvas, you could change the lay-out as you'd wish.

### Garden

The garden is oriented to the South and has a garage. The garage is in need of a new roof. There is a second plot just across the street oriented to the West.

Very attractive opportunity and a must-see for everyone that is looking for an interesting renovation project.
