IN BRIEF

Beautiful old mill to renovate situated just outside of Sarlat. An important part of the local history, there is a grand and stylish owners house along with the original factory / workshop from the 1800's along with an impressive expanse of a 1940's/50's workshop and millpond. Original features of all parts have been retained and the spaces would lend themselves to many different projects - a home, a touristic business, an artistic enterprise / gallery - or any other iteration you might have in mind.
