## IN BRIEF

Beautiful example of a prestige barn conversion. The enormous luminous rooms have modern touches and retain much character with exposed stone walls and feature beams. Fully insulated, this property has a super energy efficient rating. Situated on the border of Dordogne/Haute Vienne in the Périgord-Limousin Natural Park, on the outskirts of a village (1km) which has a village shop, bakery and primary school, you will find many forests, walking trails, leisure lake and tourist activities in the local vicinity.

## DESCRIPTION

This stunning property was completed in June 2021, a building guarantee remains. The barn is highly insulated; the walls have 100mm insulation with an additional interior block wall and membrane, the roof has 200mm of insulation as well as a concrete sheeting beneath the tiles. The flooring on the ground floor is insulated with polystyrene. The oak windows are of good quality and have a 20mm cavity between the glass panes.

The barn benefits from two wood burners; one on the ground floor, one on the first floor as well as various electric radiators throughout.

External stone walls are being repointed and the garage rendered and complete.
